## VERSE 1

G  
By the moving of his Spirit  
C  
And the pow'r of his great name  
G  
By the nail scars and the cross stained  
C  
With his blood I now can claim

## PRE-CHORUS

Em  
I am free now  
D  
Oh I am free now

## CHORUS

G  
Whom the Son sets free is forever free  
  
Now my grateful heart sings a melody  
C  
Hallelujah, sing Hallelujah  
Em  
Neither life nor death even hell itself  
D  
Can take it away from me  
G  
I'm forever free, Forever free

## VERSE 2

G  
I have hope now and a future  
C  
I'm not who I used to be  
G  
All that once was, has been traded  
C  
For a robe of royalty

## Bridge

C  
I can't deny it  
  
I won't stay silent  
D  
Love has rescued me  
Em  
I can't deny it  
  
I won't stay quiet  
D  
Dancing cuz I'm free
