VERSE 1

Down to your last dollar
Holding your last breath
Devil got you by the collar
One foot on your chest

PRE-CHORUS

Nowhere to run, nowhere to hide
"Child, lift your head
Child, lift your eyes"

CHORUS

WHEN YOU FEEL - LIKE GIVING UP - CAN'T FACE TOMORROW
WHEN YOU CAN'T SEE- HOW YOU'LL BREAK FREE - FROM ALL THE SORROW
YOU'RE NOT OUT OF HOPE, YOU'RE NOT OUT OF REACH,
WHEN YOU'RE LOST - CALL OUT TO JESUS
CALL OUT TO JESUS ~
LOVE WILL COME RUNNIN' (RUNNIN', RUNNIN')
LOVE WILL COME RUNNIN' (RUNNIN', RUNNIN')
LOVE WILL COME RUNNIN'

VERSE 2

Give him all that worry
You buried deep inside
He'll carry your burdens
I know because He carried mine

PRE-CHORUS:

You don't have to run, don't have to hide
Child, lift your head
Child, lift your eyes

BRIDGE:

No matter where you've been or what you've done
Nothing could separate you from His love
His mercy overflows, His grace is real,
Where sin runs deep His love runs deeper still
