

## **AWAKE MY HEART**

Dominic Gibbs, Brian Hitt (Dallas Street Publishing, BMI), and Mitch Langley (Mitch Langley Music, BMI)

### **VERSE 1**

I been sleepwalking these days  
As I roll through the motions  
I been day-dreaming nights away  
I'm a wave on the ocean

### **PRE-CHORUS 1**

But I see hope on the horizon  
I won't be afraid  
Won't be afraid  
It's You that  
I'm fixing my eyes on  
The darkness fades  
And daylight breaks

### **TURN**

Your love is wild  
Your love is free  
Come rescue me

### **CHORUS**

Awake my heart  
Let light be my anchor  
So breathe in life  
And fill me with wonder  
Dry bones come alive  
And love awake my heart  
Love awake  
Love awake  
Love awake my heart

### **VERSE 2**

I'm just a canvas of blank space  
Color me with your splendor  
Making new what had turned gray  
Unique like no other

### **PRE-CHORUS 2**

Now I see hope on the horizon  
I'm not afraid  
No, not afraid  
It's You that  
I'm fixing my eyes on  
The darkness fades  
When daylight breaks
