

Control

Verse 1

Oh this fear is overwhelming
My heart is scared of the unknown
When terror whispers from the valley
You're my hiding place of hope

Chorus

Oh be still my soul
Oh You're in control
Oh You'll never let me go
'Cause God You're in control
Yes God You're in control

Verse 2

All my strength is disappearing
Enemies on every side
I've grown tired in the fighting
But You'll defend me through the night

Bridge

I will lift my head
I will breathe again
I am resting in Your promises
Your light is breaking through
You're making all things new
No weapon formed against will ever win
