

# Forever Free

Chris Clayton, Daniel Doss, Michael Farren,  
Mitch Langley and Justin Tweito

## VERSE 1

By the moving of his Spirit  
And the pow'r of his great name  
By the nail scars and the cross stained  
With his blood I now can claim

## PRE-CHORUS

I am free now  
Oh, I am free now

## CHORUS

Whom the Son sets free is forever free  
Now my grateful heart sings a melody  
Hallelujah, sing Hallelujah  
Neither life nor death even hell itself  
Can take it away from me  
I'm forever free, forever free

## VERSE 2

I have hope now and a future  
I'm not who I used to be  
All that once was, has been traded  
For a robe of royalty

## BRIDGE

I can't deny it  
I won't be silent  
Love has rescued me  
I can't deny it  
I won't stay quiet  
Dancing cause I'm free
