

I AM SAFE

John Benda and Mitch Langley

VERSE 1

In the midst of broken things
I was blind I could not see
I was my own enemy

But I am not the same
Since forgiveness made a way
Oh, how sweet the sound of grace
Hallelujah, I am safe

CHORUS

I am safe, Lord
I am safe
No matter what may come my way
I'm sheltered in the shadow of Your wings
I am safe Lord
I am safe

VERSE 2

Nothing's certain nothing's sure
But there's one thing that I know
I am anchored in Your love

Nothing can take that away
Not the worries of tomorrow or today
Jesus, You're my hiding place
Hallelujah, I am safe

BRIDGE

No power of hell or tragedy
Can separate Your love from me
No sin too great can stop Your plan
I'm safe within Your hands
