

Love Ran Wild

Verse 1

Long before my heart awakened
Shame was my best friend
This world left me torn and broken
Walls were caving in
It seemed like defeat

Verse 2

But Your goodness flows to places
Like I have ever known
Filling up the empty spaces
In a barren soul
Take me as I am
My life an offering

Chorus

Your love ran wild
The grave could not contain it
It came out of there chasing me down
It can't be stopped
It crashed through all the limits
I'm born again with faith like a child
Your love ran wild Your love ran wild

Verse 3

All my fears and trouble left me
The day You called my name
A song of hope began to wake me
I'd never be the same
Raised to life again
Oh I will not forget how

Bridge

You changed me remade me
I'm not who I was
My sin and my past they are buried and gone
