

Who My God Is

Verse 1

It might be with shaky hands
That I take that first step
Let it always be said of me I went
I might stand there terrified
When He tells me to climb
Let it always be said of me I did

Pre-Chorus

It's in those moments I remind myself
It's only by His strength and with His help
That I stand

Chorus

Sure footed on the waves of the ocean
Stepping out on the words You spoken
I know who my God is
I know who my God is
Every mountain climbed every victory
All belong to the one who's with me
I know who my God is
I know who my God is

Verse 2

Wish that I could say that I
Get braver every time
But there's part of me
That just seems to forget
But He just keeps on guiding
And inviting me to trust
Cause the truth is He's
Been everywhere I've been

Pre-Chorus

So I'll keep speaking truth here to myself
It's only by His strength and with His help
That I stand

Pre-Chorus

I'm part of something bigger than myself
And by His grace forever I am held
I'm held
